Engine Cycles	1573 Cycles	1597 Cycles
Time to Mid-life	389 Hours	352 Hours

APU – Honeywell GTCP36-150 S/N P-264, Current Total Time – 1993 Hours
Enrolled on MSP

INTERIOR

Nine (9) Place Floor Plan, (1) One Certified Jumpseat, Fwd Galley, Fwd Four (4) Place Club, Aft Three (3) Place Divan, Aft Lavatory

Galley – The galley is fully equipped with china, crystal, and flatware. The galley also features a large ice drawer, sink with hot and cold water, and a granite countertop. Also included is a pocket door separating the galley from the cabin.

Styling and Colors – The club seats are finished in beige leather with berthing capability and include full size leg rests. The aft divan is finished with a neutral fabric including a leaf pattern on the upper and lower edges. The divan was custom designed for ultimate seating comfort with an increase in the size of the seat cushion for more leg support and the back support is angled for the best seated posture. The carpet is 100% wool and has a graphic swirl pattern in a neutral tone. The interior is finished with a medium tone wood and almond gold plating is used throughout the cabin.

EXTERIOR

Last painted in 2009 by Gulfstream Appleton

Overall two tone with Eggshell White and Slate Gray. Custom accent striping with Slate Gray, Deep Red and Jaded Green.
