INTERIOR: Atlantic Aviation September 1999

Cabin seats are covered in dark leather with medium Grey/Sand weaved carpeting. Sidewalls are beige ultra-leather. Cabinetry is in dark laminates accented with gold plated hardware. The cabin arrangement is a 8-passenger with (5) individual seats with a forward club arrangement with large executive tables, and an aft 3-place divan with a single forward facing opposing seat. A small rear galley across from the divan is easily accessible, and entertainment systems include VHS/DVD players and an Airshow 200 in "as is" working condition. Also equipped is an aft flushing Lavatory with external servicing and a sink with cold/warm water is installed.

EXTERIOR: Atlantic Aviation September 1999

Matterhorn white base fuselage with beautiful flowing Burgandy stripes.
